Leadership Geneva County is an adult, personal, professional, and community development leadership program with the purpose of creating a diverse leadership network of individuals that are able to more effectively serve the needs of Geneva County.

Leadership Geneva County is offering its first leadership training program beginning in August 2020.

This leadership program is a unique program as it focuses on the interrelationships of local community components and leadership roles in fostering a community's success and image.

Course curriculum is structured for leadership development and involves core competencies topics, speakers, tours and student participation.
