To graduate from Leadership Geneva County, a participant is expected to attend and actively participate in all sessions. Even though emergencies do arise, any participant missing more than two sessions, for whatever reason, may be asked to withdraw from the program. No portion of the tuition will be refunded if the applicant does not meet required attendance. Attendance for the kick-off session is mandatory.

Participants are required to identify and complete a group class project which will benefit the community/county.

The Leadership Geneva County program year will consist of nine one day sessions the last Thursday of each month (or as location scheduling permits), from 8:00 a.m. until noon, beginning in August and ending in April.

I understand the purpose of the Leadership Geneva County program and will devote the time and resources necessary to complete the program.
